WORK EXPERIENCE

Co-Founder
Develop Kreativity
November 2023 - Present

I lead the development of diverse projects, dedicating myself to creating platforms that meet client needs and transform their concepts into tangible results.

Working Scholar
University of Southern Philippines Foundation, Information and Communications Technology Department
June 2023 - Present

I collaborate on the development of various web systems for the university and its stakeholders, encompassing front-end, back-end, and API development to enhance user experience and system functionality.

Back-end Developer
MyToolz.net
July 2021 - December 2021 (6 months)

I contributed to the development of various web tools for the website, focusing on enhancing the back-end and API infrastructure to improve service speed and user experience.

EDUCATIONAL BACKGROUND

2022 - Present
Bachelor of Science in Computer Science
University of Southern Philippines Foundation

2020 - 2022
Science, Technology, Engineering, and Mathematics
Dumalag Central National High School
